"Music is the mediator between the spiritual and the sensual life." - Ludwig van Beethoven

"The music is not in the notes, but in the silence between." - Wolfgang Amadeus Mozart

"Music is the divine way to tell beautiful, poetic things to the heart." - Pablo Casals

"Music is everybody's possession. It's only publishers who think that people own it." - John Lennon

WITH TGEOS' ED-TECH PRIVATE LIMITED DELIVERING MBCWIC-01 AT THE SCHOOL LEVEL, STUDENTS WILL BENEFIT FROM...

Expert Instruction Experienced teachers guiding students.

Structured Curriculum A well-designed program for optimal learning.

Personalized Attention Focused support for each student's growth.

TRANSFORMING SCHOOLS

Innovative Education MBCWIC-01 brings a unique, internationally recognized music curriculum to schools.

Enhanced Reputation Schools offering MBCWIC-01 demonstrate commitment to holistic education and excellence.

Increased Enrollment Attract students and parents seeking innovative, high-quality education.

WHAT'S NEW IN MBCWIC-01

MBCWIC-01, a music-based curriculum, may seem unrelated to competitive exams like IIT/NEET/UPSC at first glance. However, its unique approach can indirectly benefit students in several ways, making them stand out from their peers who haven't undergone this program.

So, this curriculum will enhance creativity, problem solving, emotional intelligence, perseverance, critical thinking, productivity, leadership, collaboration skills, social skills, concentration and attention. Finally, MBCWIC-01 will create a positive aura which will block all the depressing and negative thoughts. Although the curriculum is for two years but the benefits can be seen forever or throughout their life and living standard.

TESTIMONIAL

Sourabh Joshi
Singer, Writer & Composer
Vishal Bharadwaj and Rekha Bhardwaj Team

I am grateful for the opportunity to have been a student of Mr. Toms, my first guitar instructor. His guidance ignited my passion for music and inspired me to pursue a creative life. Thank you for being a part in my journey.

Dhruv Mehrotra
IIT Kharagpur

Pleased to have been a student of Sir Tomss, the first teacher who taught me how learning can be fun, how experiments irrespective of outcomes are always good and how being creative in whatever you do is a way of life!

Loved being his student, learning music theory to understand how there's structure in creativity, and always music and passion in life. Owe a lot of what I've achieved to being his student.
